

## Workshop for SRHR projects in Bangladesh

18, 19 & 20 October 2016

### Organised by

NWO-WOTRO Science for Global Development, Share-Net International & Share-Net Bangladesh

### Participants

Representatives of the consortium member organisations of each project, NWO-WOTRO Science for Global Development, Share-Net International, Share-Net Bangladesh & the Dutch Ministry of Foreign Affairs.

### Objectives

The aim of this meeting will be to facilitate acquaintance, networking and linking both among the projects as well as between the projects and Share-Net to encourage further exchange, learning and cooperation among parties. The focus will be on **academic issues** (sharing experiences / challenges concerning theoretical and methodological approaches, dealing with sensitivity of the topic, considering how to measure -progress towards- expected output/outcomes) **and on research uptake**: how to get results in policy and practice (considering aspects of research uptake such as (strategies for) stakeholder engagement, communication and monitoring & evaluation). The workshop should thus: connect people; identify common themes and challenges for further actions (workshops, joint publications, joint seminar, etc.); yield insights for 'projects' on how to improve their communication / research uptake plans; yield insights and provide ideas on how Share-Net can further assist the projects in reaching out to the wider (policy & practice) community.

### Programme

---

#### TUESDAY 18 OCTOBER

##### Welcome drinks

Location Café Dauphine, Prins Bernhardplein 175, Amsterdam

19:00 – 21:00 hrs Drinks & bites  
*Welcome words by Share-Net International*

---

#### WEDNESDAY 19 OCTOBER

##### Getting to know each other and enhancing knowledge co-creation & research uptake

Location Mauritszaal, KIT, Mauritskade 63, Amsterdam

Chair of the day Catherine Hodgkin

##### Session 1 - Introduction and networking

*This session aims to further the acquaintance of participants and their projects, Share-Net and NWO-WOTRO Science for Global Development.*

08:30 – 09:00 hrs Coffee/tea and registration

09:00 – 09:10 hrs Welcome by Catherine Hodgkin (facilitator)

09:10 – 09:20 hrs	Introduction participants
09:20 – 09:40 hrs	Introduction to NWO-WOTRO Science for Global Development, Share-Net International, Share-Net Bangladesh, incl. Q&A
09:40 – 10:45 hrs	Pitches of the projects (5 minutes per project, no slides) <i>Answer 4 questions: What is the aim of the project? What is the core of your approach? What is special about your project? Which partners are involved?</i>
10:45 – 11:15 hrs	Coffee/tea and group photo
11:15 – 12:00 hrs	Individual speed dating (consortium members and Share-Net) <i>Share what interests you about the other person's project.</i>
12:00 – 13:00 hrs	Gallery Poster Session <i>Walk in groups past each project's poster. In each group there will be at least one project team member of each project so that he/she can explain and respond to questions of the other participants.</i>
13:00 -14:00 hrs	Lunch

## **Session 2 - Knowledge Sharing & Research Uptake**

*This session aims to (i) provide better insight in the various components of knowledge sharing and research uptake, in order to (better) engage with both inner and outer circle stakeholders, and (ii) to inspire participants with a view to improving their strategy for knowledge sharing and research uptake.*

14:00 – 14:20 hrs	Research uptake <i>Presentations by Karen 't Hooft (Share-Net International) &amp; Han van Dijk (NWO-WOTRO Science for Global Development)</i>
14:20 – 15:30 hrs	Introduction on stakeholder analysis, engagement & communication. 1 <sup>st</sup> working session on research uptake, incl. wrap-up <i>4 groups:</i> <ul style="list-style-type: none"> <li>- <i>All groups: reflect on (formulation of) project outcomes</i></li> <li>- <i>Two groups: Stakeholder analysis for a selected outcome</i></li> <li>- <i>Two groups: Elaborate the communication strategy</i></li> </ul>
15:30 – 15:50 hrs	Coffee/tea in the room
15:50 – 16:50 hrs	2 <sup>nd</sup> working session on research uptake <i>Discuss findings of the 1<sup>st</sup> working session with members of your own project. How can you apply these findings in your project?</i>
16:50 – 17:45 hrs	Plenary discussion <i>Feedback on the first day of the workshop. Are there any burning topics/questions you would like to discuss the following day?</i>
19:00 hrs	Dinner at Café Vrijdag (Location: Amsteldijk 137, Amsterdam)

---

## **THURSDAY 20 OCTOBER**

Location	Mauritszaal, KIT, Mauritskade 63, Amsterdam
Chair of the day	Catherine Hodgkin

### **Session 3 - Scientific challenges, identification of common themes**

*This session aims to create an open learning atmosphere, with identification, sharing experiences and learning on common challenges and themes concerning research objectives, methodological / operational approaches, measuring (progress towards) outcomes etc. Identification of themes/issues that need further attention, such as next workshops, potential joint publications and joint seminars.*

09:30 – 09:45 hrs	Introduction – Catherine Hodgkin
09:45 – 11:15 hrs	Table talk (with coffee/tea) <i>Five tables, follow-up discussions on one question per table. Groups appoint rapporteur per table, 4 discussion rounds, 20 minutes each. The questions will be based on input of the day before and previous input per e-mail.</i>
11:15 – 12:00 hrs	Plenary presentations and wrap-up
12:00 – 13:00 hrs	Lunch

### **Session 4 - Share-Net networking event**

*This session aims (1) to inform the Share-Net members about the SRHR research projects in Bangladesh (2) to develop new collaborations (between the researchers and the Share-Net members).*

13:00 – 13:10 hrs	Introduction and welcome to the new participants (Share-Net members)
13:10 – 14:50 hrs	Pecha Kucha <i>Presentation of each project group. Presentation of 20 slides which are shown for only 20 seconds each. Total time of each presentation will be 6 minutes and 40 seconds in total. The slides may only consist of images; no text is allowed on the slides. After the presentation there is time for questions (13 minutes). Share-Net members will be invited to reflect on the research projects and to participate in the discussion.</i>
14:50 – 15:00 hrs	Closing, evaluation and farewell gifts.
15:00 hrs	Blind date with coffee/tea <i>Couples of two participants will be made. During this “blind date”, the couples can share their experiences and explore opportunities for collaboration.</i>

## **Participants**

### **Project 'Breaking the shame. Towards improving SRHR education for adolescents and youth in Bangladesh'**

Els Rommes, Jhalok Ronjan Talukdar, Rahil Roodsaz, Wenneke Meerstadt, Parveen Akter (Milly) & Mashruka Khaled

### **Project 'Engaging Young Men to Prevent Violence in Bangladesh'**

Giovanna Lauro, Sayed Saikh Imtiaz, Ishrat Khan & Abigail Fried

### **Project 'Theater intervention to engage young men in sexual education'**

Malabika Sarker, Atonu Rabbani, Godelieve van Heteren, Afzal Aftab, Sukanta Paul, Runa Laila & Ashfique Rizwan

### **Project 'Sexual and reproductive health and rights and young migrant women in Dhaka'**

Ellen Bal, Lorraine Nencel, Mirza Taslima Sultana, Shewly Hosna Jahan, Kathinka Sinha-Kerkhoff & Runa Laila

### **Project 'Digital Sister for Urban Youth'**

Shahana Siddiqui, Rahima Akter, Anushka Zafar & Sonom Rehnuma

### **Facilitator**

Catherine Hodgekin

### **Share-Net**

Irene Bartelds, Karen 't Hooft, Kimberley Meijers & Susan Bulthuis

### **NWO-WOTRO Science for Global Development**

Gerrie Tuitert, Han van Dijk, Naomi Strubbe-Baksteen & Jacomijn Verbruggen-Zoutewelle
