Youth Advocacy Change Makers

Save the Children as Secretariat of Engage Men and Boys Network Bangladesh invites application for the above mentioned volunteer position.

The role

Engage Men and Boys (EMB) network is the country network in Bangladesh associated with Men Engage Alliance Global and South Asia, with around 42 members (Civil Society organizations and Individual Activists) across Bangladesh. Save the Children (SCI) is an elected secretariat of the network for two years (2019 & 2020).

SRHR for All Project (funded by Men Engage Global Alliance) is designed in South Asia regional network and five country level networks. In Bangladesh, the project is jointly designed and is aiming to implement together with members of the EMB network and the network supported 'Youth Platform for Transforming Masculinities'. Youth will be capacitated in caring masculinities behaviors', especially around SRHR and child marriage. This project will be led by Youth change maker in particular under the close supervision of EMB Secretariat and Steering Committee. Three (3) youth leads will be recruited as volunteers for the project period.

Qualifications and experience

- Experience in SRHR and end child marriage work or other related fields.
- Bachelor's Degree in any relevant field.
- Prior experience in working in youth's focus capacity building, awareness raising and national level advocacy or social campaigns.
- Gender and diversity awareness and a commitment to gender justice and to gender justice engaging boys, men and gender minority people men engage.
- Skills in networking, persuasion and advocacy for mainstreaming SRHR and child marriage agenda
- Having good knowledge and skills about using the virtual platforms of social media.
- Experience of collection and analysis of the data
- Good spoken and written skill in English and Bengali

Work Condition:

Considering Covid-19 situation, Youth volunteer will work from home and maintain virtual communication with Gender Advisor, Save the Children in Bangladesh.

Duration: 3 months
