We cordially invite you to the SRHR Knowledge Fair 2021, organized by Share-Net Bangladesh for the 6<sup>th</sup> time.

The theme set for this year is Climate Change and SRHR. Through the interactive sessions and active participation of the participants, the event will provide a wonderful platform to have thematic discussions on research findings, lessons learned, policy implications and innovative strategies for its members and Communities of Practice (CoP) who are working in the field of SRHR.

Looking forward to your kind presence and participation at this highly anticipated event.

Sincerely,

**Arnob Chakrabarty**  
Project Director, Share-Net Bangladesh  
Managing Director, RedOrange Media and Communications
